

SMALL SPACE
CONDO SOLUTIONS

CONDO LIVING

As a leader in design & innovation, AyA has been producing and perfecting condo cabinetry since 2001. In today's condo market, space is at a premium. AyA makes sure every inch of cabinetry is optimized for extra storage and extra functionality. The result is innovative solutions that adapt to your lifestyle and living space.

SHALLOW DEPTH PANTRY

Shallow depth pantries are a perfect way to create lots of extra storage without taking up too much room.

UPPER SELECTIONS

AyA's upper cabinetry options include standard uppers, lift ups, flip ups, bi-fold doors and more. AyA also offers integrated LED lighting options.

ISLAND VERSATILITY

Plenty of Island storage, large counter work surface and breakfast bar.

BUILT-IN CLOSET

Give your condo unit a custom feel with multi-use built-in customizable cabinetry.

PULL OUT TABLE

A sturdy dining table which hides neatly into an island drawer when not in use.

WHITE DOUBLE WALL DRAWERS

AyA's standard drawers are German manufactured, 3/4 extension white double wall, soft close drawers.

DESK

In its upright desk form, AyA's Murphy Bed functions as a sturdy desk for all your electronic devices and home office materials. A great feature about the desk is that items smaller than 5" can be left on the surface even when the unit is in the bed position. AyA's Murphy Bed comes in a variety of panel finishes and materials to suit your tastes and needs.

MURPHY BED/DESK

PERFECT FOR CONDO DENS

BED

In its pulled down bed form, this unit fits a standard double size mattress. The ultra smooth gliding European hardware provides easy operation whether opening or closing the bed. Two high strength fabric straps secure the mattress to the unit. The Murphy Bed also includes a locking mechanism when the bed is closed to ensure safety when working at the desk.
